Even better:
In an independent test
by *Edmunds.com*,
the Ford Focus
achieved 37.5 mpg
on the highway.

Focus SEL Sedan • Vista Blue Metallic

waste not, want it

Maximize your fun. Minimize your greenhouse footprint. Whether it's the 4-door sedan or redesigned 2-door coupe — Focus is Ford's most wanted car. And it's the greenest. At its heart is a proven 140-hp 2.0L 4-cylinder. Pumping fuel so efficiently, so eco-responsibly. Keeping

beat to the tune of 35 mpg.¹ In the official *Green Vehicle Guide*, Focus is EPA-certified as a SmartWay[®] vehicle: In other words (and in theirs), a "very good environmental performer" from California to the Carolinas. Ranks right up there on the affordability scale, too.

¹2009 EPA-estimated hwy. fuel economy with 5-speed manual transmission.

Drive one.

09 FOCUS

Reviewing a Focus outfitted with SYNC, David Thomas of *Cars.com*[™] raved: "It's a win-win feature that's so affordable and easy to use it's a good bargain even if you're not a technophile. I quickly became addicted to it and heartily recommend it."

SYNC
Powered by **Microsoft**

mpgs meet mp3s

Ford SYNC[®] is the award-winning, class-exclusive¹ standard for communications and entertainment. This available voice-activated, customizable media system integrates your Focus with most digital media players. Hooking up your handheld player is a snap. Plug it in and simply press a button on the steering wheel: Use voice commands to select or search

your music by artist, album, track and genre. Enter the car with a compatible and paired, Bluetooth[®]-enabled mobile phone² — SYNC knows you've arrived. Visit SyncMyRide.com for the latest info about exciting new features. *You talk. SYNC listens.[™]*

¹Compact Car class. ²Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

09 FOCUS

Focus SES Coupe • Sangria Red Metallic

A Focus first: AdvanceTrac® electronic stability control* is optional – with ABS – to help prevent you from skidding off your intended course. The National Highway Traffic Safety Administration [NHTSA] deems this reactive technology a lifesaver.

point-n-shoot

Focus fortifies you with Control Blade™ trailing arms for handling finesse that's outta sight. Part of the Euro-inspired suspension that's at your service: It's of the 4-wheel independent variety — delivering extraordinary maneuverability while eagerly absorbing bumps along the way. Cut to passing zones or highway fast lanes, and the specially tuned setup works

wonders with the power-on-demand Duratec engine. In standard 5-speed manual or optional automatic guise. In coupe or sedan sleekness. In wet or absolutely perfect conditions. Influenced by the extreme-performance Focus — the champion Focus RS World Rally Car. Ready? Aim...

*Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Drive one.

09 FOCUS

"While expounding about sound, we shouldn't lose sight of light." The Focus IP according to Dan Lyons of *autoMedia.com*.

Focus SES • Charcoal Black

ice blue obsession

Stare long enough, and you'll get the urge to grab the leather-wrapped wheel and put this picture into gear. With gauges and controls backlit in Ice Blue, the Focus cockpit is enticingly refreshing. SES and SEL models add the allure of silver-metallic panels running the length of the dash. There's an infusion of chrome register accents. And bright rings encircle the

instrument panel's unique, painted performance cluster. A set of audio and cruise controls are a fingertip away on the steering wheel. Ambient Lighting and Ford SYNC® come standard. So does SIRIUS® Satellite Radio, which pumps out 100% commercial-free music. Intensifying the thrill.

*Service not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for details. "SIRIUS," the SIRIUS dog logo and "The Best Radio on Radio" are registered trademarks of SIRIUS Satellite Radio Inc.

Drive one.

09 FOCUS

Matt Stone at *MotorTrend.com* couldn't help but notice: "Ford put a lot of effort into reducing NVH, and this shows. ... [an] acoustic glass windshield reduces engine and wind noise."

Focus SEL • Charcoal Black Leather Trim • Optional Moon & Tune Package

ultimate power play

Get your game on as soon as you get in Focus SEL. Slingshot driving dynamics amplify the action and adventure for you and 4 friends. Ambient Lighting puts you in control of the special LED effects that color the footwells and cupholders — front to back, in your choice of 7 shades. Ford SYNC® obeys your every MP3 wish, busting it out through the surround-

sound speakers. Genuine leather-trimmed seating is not only formfitting, it's got contrast stitching. Those multi-adjustable front buckets come complete with heat. Take note: Front seats on every coupe offer the courtesy of tipping forward for quick access to the back. Tons of reasons why Focus rules.

Focus SES Coupe • Vista Blue Metallic • Ford Custom Accessory — Exterior Graphics Kit

b yourself

Do up your Focus and be the big dog. One of the hottest toys to be seen in, Focus was livin' large at the latest Specialty Equipment Market Association (SEMA) show. The new SES Coupe sizzles — tricked out from the start. Eye-poppin' 17" aluminum wheels fill the wells and are painted dark stainless. Halogen headlamps and the taillamps are injected with dark chrome, accentuating the unique 2-bar grille. Fascias are lower and more aggressive.

There's a slick spoiler mounted high in back, plus a chrome-tipped exhaust hints at the 143-hp,¹ sport-tuned sonic signature of this Focus. Go for automatic shifting and you also get a phenomenal 4.2 final drive ratio. Pour on the Ford Custom Accessories all you want. Focus takes your attitude to the street.

¹143 hp on Coupe models with manual transmission.

G

H

multidimensional

- A. The oversized easy-in, easy-out trunk not only clears the way for a whole bunch of stuff, it means a whole lot less strenuous bending and lifting for you. There's a compact spare tire. And for greater convenience, a remote trunk release¹ within arm's reach of the driver.
- B. Ambient Lighting is optional, adding an intriguing LED glow to all 4 footwells and the front and rear cupholders. You can change out the look on the fly: It's color-configurable in 7 mood-matching tints — red, yellow, green, blue, aqua, purple or white.
- C. An extremely rigid safety cell and energy-absorbing crumple zones are bolstered with 6 airbags: 2 dual-stage front airbags, 2 front-seat side airbags, and 2 front-to-back side-curtain airbags. The Personal Safety System[®] is a suite of 7 protection technologies that work in concert to help protect the driver and front passenger. Sophisticated sensors — including a driver-seat position sensor and Front-Passenger Sensing System — process information to adjust the performance of front safety belts and dual-stage front airbags in the event of certain frontal collisions.
- D. The 60/40 split-folding rear seats allow one seatback to be folded forward while the other remains upright for passenger use. A front-passenger seatback pocket, center-console covered storage, center-stack cubby, glove compartment, front-door bins and all the cupholders help accommodate your carry-ons. A pair of 12-volt power points are built-in, along with a console-mounted audio jack. In sum, Ford Focus is versatility on wheels.
- E. Into hypermiling? The multifunction computer precisely displays real-time fuel economy. (Not available on Focus S.)
- F. Keep up-to-the-minute tabs on outside temperature and the direction you're headed!¹
- G. Take the chill off: Heated front seats — decked out with leather trim — are standard on Focus SEL and optional on SES.
- H. SEL and SES models come with power-adjustable, heated sideview mirrors that work like defrosters, in all kinds of wet.

¹Available Winter 2008.

Personalize your Focus in 4 steps

1 Choose your model

Focus S Sedan

Equipped with all the standard features on the previous page, plus:

- 15" wheel covers and P195/60R15 BSW tires
- Cloth seats
- Black door handles
- Black manual sideview mirrors
- Chrome 2-bar grille
- Halogen headlamps

Focus SE Sedan

Includes all the standard features on the S Sedan, plus:

- 15" aluminum-alloy wheels
- Message center with instantaneous fuel economy
- SIRIUS Satellite Radio
- Power sideview mirrors
- Power windows and door locks
- Remote keyless-entry system with 2 fobs

Focus SES Sedan

Includes all the standard features on the SE Sedan, plus:

- 16" aluminum-alloy wheels with P205/50R16 BSW tires
- Enhanced European-inspired suspension
- Rear stabilizer bar
- Ambient Lighting
- Instrument cluster includes metallic instrument panel appliqué with bright cluster rings, release handles, and register accents; metallic console top plate; and performance cluster
- Leather-wrapped steering wheel
- Steering wheel-mounted cruise and secondary audio controls
- Ford SYNC® voice-activated, in-vehicle communications and entertainment system
- Body-color door handles
- Chrome exhaust tip
- Fog lamps
- Power, heated body-color sideview mirrors
- Rear decklid spoiler (SES only)

Focus SEL Sedan

Includes all the standard features on the SES Sedan, plus:

- 16" Euroflange aluminum-alloy wheels
- Leather-trimmed, heated front seats
- Painted appliques on front fenders
- Power, heated chrome-capped sideview mirrors
- Chrome door handles

Focus SE Coupe

Equipped with all the standard features on the previous page, plus:

- 16" aluminum-alloy wheels with P205/50R16 BSW tires
- Sport-tuned exhaust
- Power windows and door locks
- SIRIUS Satellite Radio
- Message center
- Body-color door handles
- Dark painted 2-bar grille
- Dark chrome headlamps and taillamps
- Chrome exhaust tip
- Rear decklid spoiler
- Power, heated body-color sideview mirrors

Focus SES Coupe

Includes all the standard features on the SE Coupe, plus:

- 17" premium painted dark stainless aluminum wheels with P215/45R17 BSW tires
- Enhanced European-inspired suspension
- Rear stabilizer bar
- Ambient Lighting
- Cruise control
- Instrument cluster includes metallic instrument panel appliqué with bright cluster rings, release handles, and register accents; metallic console top plate; and performance cluster
- Leather-wrapped steering wheel
- Steering wheel-mounted cruise and secondary audio controls
- Ford SYNC voice-activated, in-vehicle communications and entertainment system
- High-mount rear spoiler

09 FOCUS

Drive quality.

Focus has the distinction of being the first vehicle ever awarded both the North American Car of the Year and European Car of the Year.¹

Drive green.

Up to 35 mpg hwy,² plus Focus is a Partial Zero Emissions Vehicle in California Emissions States³ — it's as eco-friendly as a hybrid.

Drive safe.

In federal frontal crash tests, Focus Coupe rates 5 Stars.⁴ To help prevent accidents, AdvanceTrac[®] electronic stability control⁵ with ABS is optional.

Drive smart.

Ford SYNC[®] voice-activated communications and entertainment,⁶ Ambient Lighting, SIRIUS Satellite Radio,⁷ even remote start⁸ — all optional.

¹Based on the 2000 North American Car of the Year and the 1999 European Car of the Year awards. ²2009 EPA-estimated hwy. fuel economy with 5-speed manual transmission. ³Standard on models in CA, CT, MA, ME, NY, PA, RI and VT; available on retail orders in AZ, DE, MD, NH, NV, OH, OR and WV. ⁴Star ratings are part of the U.S. Department of Transportation's Safercar.gov program (www.safercar.gov). ⁵Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁶Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ⁷Service not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for details. ⁸SIRIUS is a registered trademark of SIRIUS Satellite Radio Inc. ⁹Available through your Ford Dealer as a Genuine Ford Accessory.

New Vehicle Limited Warranty. We want your Ford Focus ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.
